WELCOME BACK SNOWBIRDS

As we start welcoming back our northern friends we will be busy with our ongoing improvements at your Lodge. This year the focus is on our dining room where we have just completed replacing all the ceiling tiles we will also re-paint and clean it up. Another area which needs attention is our deteriorating parking lot, where we have begun repairing our handicap spaces and hope to have funds to repair the whole parking lot in the future. If you are interested in assisting with any of our Lodge improvements let us know.

With a new cook in the kitchen this season we will be making some exciting changes to our menu. On Wednesdays and Fridays we have expanded your menu choices. In October, our Tuesdays Pizza & More night will return and our Monday Pasta Night will also return on both Mondays and Thursdays with additional choices to choose from. Our kitchen will also be open on Sundays during the football season.

So stop by and have fun with your fellow Moose members at the Lodge.

SOCIAL QUARTERS HOURS

Monday - Friday 10AM to 10PM
Saturday 10AM to 12:00PM
Sunday 12:00PM to 8:00PM

GOVERNOR

Jerry Faught

Florida is a wonderful place to live and for those of us that do, we will soon learn that at certain times of the year everything slows down and that there will be fewer members and guests in attendance at our moose activities, and that time is now. So if you have ever passed on by because the parking lot was full or saw the crowds coming and go-

ing, now is the time to check out what you've been missing. Like our "all you can eat", Sunday morning breakfast, dinners and dancing, bus trips and other special events held for our members and guests to enjoy. There is always a lot to be had at a Moose Lodge and the cost is so little.

Our new social quarters manager Jay Andrade has many new things being done each day in the way of fun....food....friendship, participation is the key, come-in....join-in, you'll be glad you did. Englewood Lodge is going to have much more going on than you'll see on the calendar, we must get back to the improvements needed inside and outside the lodge. Many of these projects must be done when the Lodge is not open, so early-morning or late-at-night work groups will be needed to assist in these improvements, if you would like to help with any of the jobs, let an officer of the Lodge know. A list will be posted in the social quarters with up-coming jobs and the time and dates needed. Starting off the list, and next on the pecking order, is improvements in the "home" area or dining hall. We will start with the changing of the ceiling tiles, cleaning the rails and vents, next will be painting and moving tables and chairs to have the carpet cleaned.

LEGION REPORT

Leon Hetherington, our Moose Legion LAC and I just left the Tice & Shores Moose Lodge #1297 in Ft. Myers for our executive meeting and had a great time. The Lodge was filled with lots of friendship and fellowship. Leon and I voted to support and promote an "annual opportunity Lodge 100% honorary membership program". By paying a small required sum, we can now say, all of our Englewood Moose Legionnaires are honorary members of opportunity Lodge and assisting the wonderful residents of Moosehaven. It's a grand sight to behold, when all 18 lodges that make-up manatee #58 pull together on the worthy causes presented.

"THE TIME IS NOW" this year's theme for our new membership program for 2010/2011. A campaign that will reward a sponsor for helping to build membership in the Moose Legion the degree of service. Free dues for the sponsor is one of many things offered, come and visit the Lodge to find out all the great things you can win by being a Moose Legion Sponsor.

Moose Legion Manatee #58's next celebrations is at Tice & Shores Lodge #1297, 11161 Palm Beach Blvd., Ft. Myers, FL. Ph: 239-694-0622 on September 18 & 19. Followed by a celebration at Bonita Springs Lodge #1454, 25101 Old 41 Road, Bonita Springs, FL. Ph: 239-947-6103 on December 18 & 19. Come out and support your Moose Legion and have a great time with lots of fun.

DISTRICT #24 NEWS

District 24 is again leading the way in the State for monies to charity. Our Lodges are working very hard to keep us as the **# 1 District in Florida**.

Port Charlotte is heading up a District Golf Outing September 25th. Team applications are available at all Lodges. We need hole sponsors and vendor prizes.

Our District Cruise to the Bahamas on October 1st has at this time 43 rooms booked. That means that 86 fun loving Moose are ready to go.

Our last program will be the District 24 Picnic at Venice Lodge on October 9th. There will be good food, music, raffles, door prizes and lots of fun. More information will follow.

Bob Anderson has done an excellent job as our District 24 Activities Chairman and can answer any questions. Emil LaMond, from Port Charlotte is leading the golf outing. Bill Birk has the information on the picnic.

Now, all we need is your participation to help us continue to be **# 1**.

Ken Onstott, District 24 President
